ANC Podcast: Dec. 22, 2023 | David Adams, Brian Kingston break down the federal ZEV mandate

David Adams, head of the Global Automakers of Canada, and Brian Kingston, who leads the Canadian Vehicle Manufacturers' Association, discuss all the issues their members have with the new federal Electric Vehicle Availability Standard, which forces automakers to sell a defined percentage of zero-emissions vehicles each year. They talk incentives, infrastructure and how achievable the goal of 100 per cent ZEV sales by 2035 is.
